## Books - Press Printed (page 1 of 2)

At McGreevy ProLab & ProPress we specialize in short-run custom books. Every phase of the book making process is completed on premises; printing, case making, laminating, milling, notching, gluing and binding; we do it all in-house. We use only the finest quality papers and cover materials and adhere to strict color management and quality control procedures.

### Four Book Types Available

<p><b>Saddle Stitch Books:</b> Saddle stitching is a cost effective soft cover binding process that utilizes wire staples along the book's spine to create a sturdy, professional product that will lie open flat. Saddle Stitched Books are perfect for catalogs, magazines, booklets, programs, manuals, pamphlets, menus, multi-page brochures and much more.</p> <ul style="list-style-type: none"> <li>• Our most economical book type</li> <li>• 8 pages up to 60 pages</li> <li>• Cover is included in the page count</li> <li>• Inside cover <u>is</u> printable</li> <li>• Expandable in 4 page increments</li> <li>• Heavy Cover - optional add-on</li> <li>• Cover Lamination - not available</li> </ul>	<p><b>Perfect Bind Books:</b> Our highest quality soft cover books are made using the perfect bind method. The spine edge of the pages are mechanically milled, notched and then hot glued to the cover, which is creased to wrapped around the book block. Once the glue sets, the book edges are trimmed flush. Most soft cover books you see use perfect binding, it is strong, clean and elegant.</p> <ul style="list-style-type: none"> <li>• Our finest soft cover book</li> <li>• 20 pages up to 140 pages</li> <li>• Cover is <u>not</u> included in the page count</li> <li>• Inside cover is <u>not</u> printable</li> <li>• Expandable in 2 page increments</li> <li>• Heavy Cover - Standard</li> <li>• Cover Lamination - optional add-on</li> </ul>
<p><b>Coil Bind Books:</b> Soft cover coil binding is most often chosen for its ability to fold completely over on itself or lay totally flat for ease of use. It's business-like quality makes it perfect for reports, presentations, manuals, inventory and product catalogs. It also makes a wonderful cookbook!</p> <ul style="list-style-type: none"> <li>• 20 pages up to 136 pages</li> <li>• Cover is included in the page count</li> <li>• Inside cover <u>is</u> printable</li> <li>• Expandable in 2 page increments</li> <li>• Heavy Cover - Standard</li> <li>• Cover Lamination - optional add-on</li> </ul>	<p><b>Hard Cover Books:</b> Beautifully crafted, each hard cover book is made to order and comes standard with a laminate protected image-wrapped cover. The interior pages are milled, notched, glued and then bound to the hard cover case. End sheets are used to finish off the inside of the cover to create a stylish bookstore quality book.</p> <ul style="list-style-type: none"> <li>• Our biggest selling book type</li> <li>• 20 pages up to 140 pages</li> <li>• Cover is <u>not</u> included in the page count</li> <li>• Inside cover is <u>not</u> printable</li> <li>• Expandable in 2 page increments</li> <li>• Cover Lamination - Standard</li> </ul>

**Design Options:** Book pricing is for printing & binding only. Layout & design are not included. Here are three excellent options to help you get the design you need:

**In-house Design** - Let our professional design staff create a one-of-a-kind book for you. Books can vary greatly in complexity, so an accurate quote is only possible after we see your project first-hand, but on average we can generally design books for about \$12 to \$15 per page. We work closely with each client to make certain that the final product is exactly to your specifications. We provide you with an on-screen approval of the finished design and then we print a completed book for your inspection before running any quantities. Layout and design is charged at \$88 per hour .

**Personal Design Software** - Use your own favorite graphics software (Photoshop, Illustrator, InDesign, etc.). Templates are available for download on our web site so you can prepare your files to the correct specifications for our printing press. Our knowledgeable staff is eager to help with any layout questions you may have. We provide a **free file check** to confirm accuracy before printing.

**Design Online** - Our **free** online book design software will make you look like a pro. It's fun and easy with loads of options that allow you to take creative control. To get started go to [www.mcgreevyprolab.com](http://www.mcgreevyprolab.com) and enter our **OnlinePhotoCenter**.
