

BLEED ZONE

BLEED ZONE

Bleed Line (Red): For full bleed printing your artwork MUST extend to this red line.

Case Edge Line (Black): Anything outside this line will not be seen on the front cover. This area between the black and the red line wraps around the edge of the case. For full bleed printing your artwork must extend beyond this black line and touch the red line.

Safety Margin Line (Purple): Do not place text or artwork closer to the edge than this line. The only exception is when you want full bleed printing.
